

Winter Nature Hunt

Can you ...

- Find a pinecone on the ground.
- Spot an icicle or frost pattern.
- Touch something cold (like snow or ice).
- Look for animal tracks in the snow or mud.
- Listen for the sound of the wind in the trees.
- Spot a bird with winter plumage.
- Find a tree with no leaves.
- Look for something red in nature (like berries or leaves).
- Find a smooth patch of snow or ice.
- Spot a cloud with an interesting shape.
- Find a tree branch covered in snow.
- Look for a nest or animal shelter in a tree or bush.
- Find a tree that has lost all its leaves.
- Spot a bird searching for food in the snow.
- Look for a frozen puddle or pond.
- Find a tree with evergreen needles instead of leaves.
- Look for a pattern in the frost on a surface.
- Spot the tracks of a sled or a snowman in the making.
